

MCLK12 metered clock

- The perfect “audio fashion accessory” for the McIntosh enthusiast, the MCLK12 enlists iconic McIntosh Blue Meters to read time, with one meter scale calibrated in hours, the other in minutes.
- Mountable on a wall, in a racked installation, or simply placed on a shelf, the MCLK12 may quickly become your favorite McIntosh collectible.
- Fifty percent whimsy and fifty percent precision timepiece, the MCLK12 is a seriously accurate clock with quartz-crystal timekeeping.
- A built-in long-life Lithium battery stands by to keep time moving in case of a power failure.

Times change but McIntosh is always in style.

MCLK12 metered clock

General Specifications

Time Base:

Temperature compensated quartz crystal oscillator

Time Base Accuracy:

±2 parts per million from 0°C to +40°C

Clock Time Display:

Dynamic magnetic meters

Power Control Input and Output:

5-15VDC, 50mA maximum

Power Requirements:

100V -240V ~ 50/60Hz at 2.0 Watts

Note: Refer to the rear panel of the MCLK12 for the correct voltage

Dimensions:

(HxWxD) 8-7/8" (24 cm) x 17-1/2" (44.5 cm) x 5" (9.21 cm)

System Weight:

8 pounds (3.62 Kg) net, 10 pounds (4.54 Kg) in shipping carton

Applications:

MCLK12 may be shelf mounted, placed in an equipment rack with other McIntosh components or be mounted on a wall using the rear panel, built in dual screw head mounting points.

Power Control:

The Power Control Input and Output connections provides convenient Turn-On/Off of Front Panel Illumination of the MCLK12 along with other McIntosh Components.

Lithium Battery:

The long life Lithium Battery is used for backup of the crystal oscillator for accurate time keeping in the event there is an interruption of AC Power.

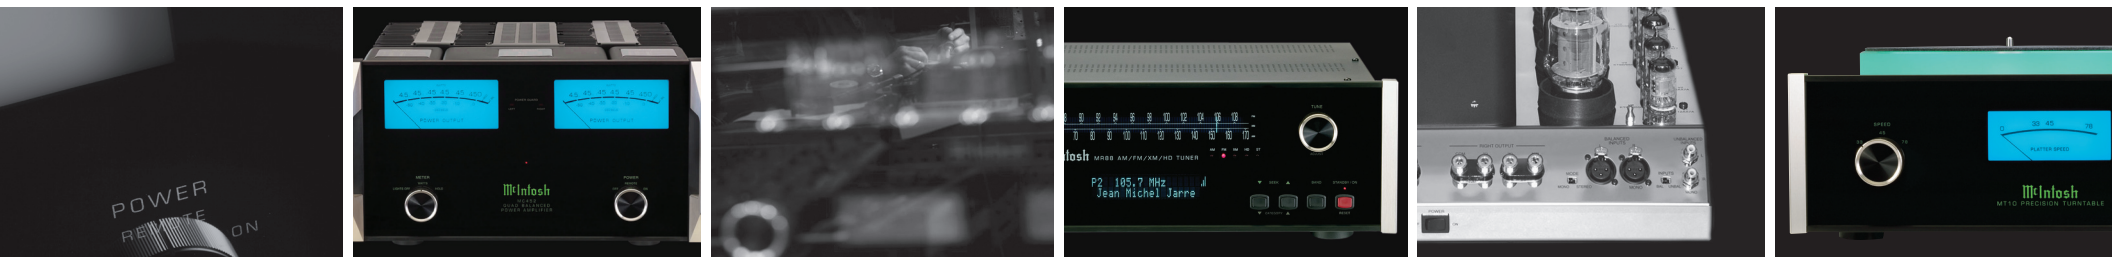

Precision Oscillator:

The MCLK12 circuitry utilizes a precision temperature compensated quartz crystal oscillator for accurate time keeping, even with room temperature fluctuations.

For the Consumer's Protection:

In order to ensure the highest level of customer satisfaction, "new" McIntosh products may only be purchased over-the-counter or delivered and installed by an Authorized McIntosh Dealer. McIntosh products that are purchased over the Internet, by phone or mail order are presumed to be "used" and do not qualify for any McIntosh Warranty. McIntosh does not warrant, in any way, products that are purchased from anyone who is not an Authorized Dealer or products that have had their serial number altered or defaced.
